

Introduction to Theoretical Linguistics

Phonetics, Phonology and Morphology

Assignment 4

Name _____ ID _____

This week's assignment is to prepare for the experiment. Your task is to make sure you have completed everything up to page 38 of the Class 4 slides (which we covered in class).

To prove that you have completed the preparation up to this point, please take photos or screenshots of the following two items and post them to the assignment submission page:

1. A photo/screenshot showing that the files stim1.wav through stim9.wav have been generated in your directory.
2. A screenshot of the Praat screen showing the waveform of the sound pronounced as "PA."
